

[Accessibility Statement for www.bansteadrotary.com](#)

Banstead Rotary Club is committed to promoting digital accessibility for people with disabilities. We are continually improving the user experience for everyone visiting our website and applying the relevant WCAG 2.1 accessibility standards.

Conformance Status

This website conducted a process to implement an automatic accessibility tool to conform as closely as possible to the standards set by the WCAG 2.1 ([Web Content Accessibility Guidelines 2.1](#)) at the AA level.

Measures taken to make this website more accessible

NuWorldLead's automatic accessibility tool implements the following measures to websites on which it is installed:

- Enable keyboard navigation.
- Fonts - Ability to increase and decrease the site font, adjust, align etc.
- Change color contrast based on dark background.
- Change color contrast based on a light background.
- Change the website's colors.
- Matching and monochrome option for colour blind people.
- Change the font for readability.
- Increase the cursor and change its colour to black or white.
- Increase the display to 200%.
- Highlight links on the site.
- Highlighting headers on the site.
- Display an alternative description of the images.
- Increase the content chosen by the cursor, showed in a tooltip.
- Describe words by mouse selection.
- Displays the site's contents in a new window clearly and readable.
- Enables users to type contents using the mouse.

Compatibility with browsers and assistive technology

NuWorldLead's automatic accessibility tool supports the widest array of browsers and assistive technologies as possible, including Safari, Chrome, Edge, Internet Explorer, Firefox, and Opera. The accessibility tool also addresses JAWS and NVDA assistive technologies for Windows and MAC.

Technical specifications

Accessibility for this website relies on the following technologies to work with the particular combination of web browser and any assistive technologies or plugins installed on your computer:

- HTML
- WAI-ARIA
- CSS
- JavaScript

These technologies are relied upon for conformance with the accessibility standards used.

Feedback

Despite our efforts to make site browsing accessible for people with disabilities, some pages may yet to be accessible, or the appropriate technological solution has not yet been found it is possible that some pages or sections on this website have Human mistakes, for a variety of reasons. We are dedicated to keep improving the accessibility features and interface of our product. Notice something wrong? You are most welcome to reach out and email us.
